

THE FLOOR CALL

"Any update on my car?"

Still the most expensive question on a UK franchise desk.

WHAT ACTUALLY HAPPENS

Your best people become the switchboard.

- Chase the keys
- Chase the photo status
- Chase the customer back

HONEST SPLIT

YOUR CRM

- Stock book
- Deal paperwork
- Customer record

THE FLOOR

- Live progress
- Buyer view
- Less chasing

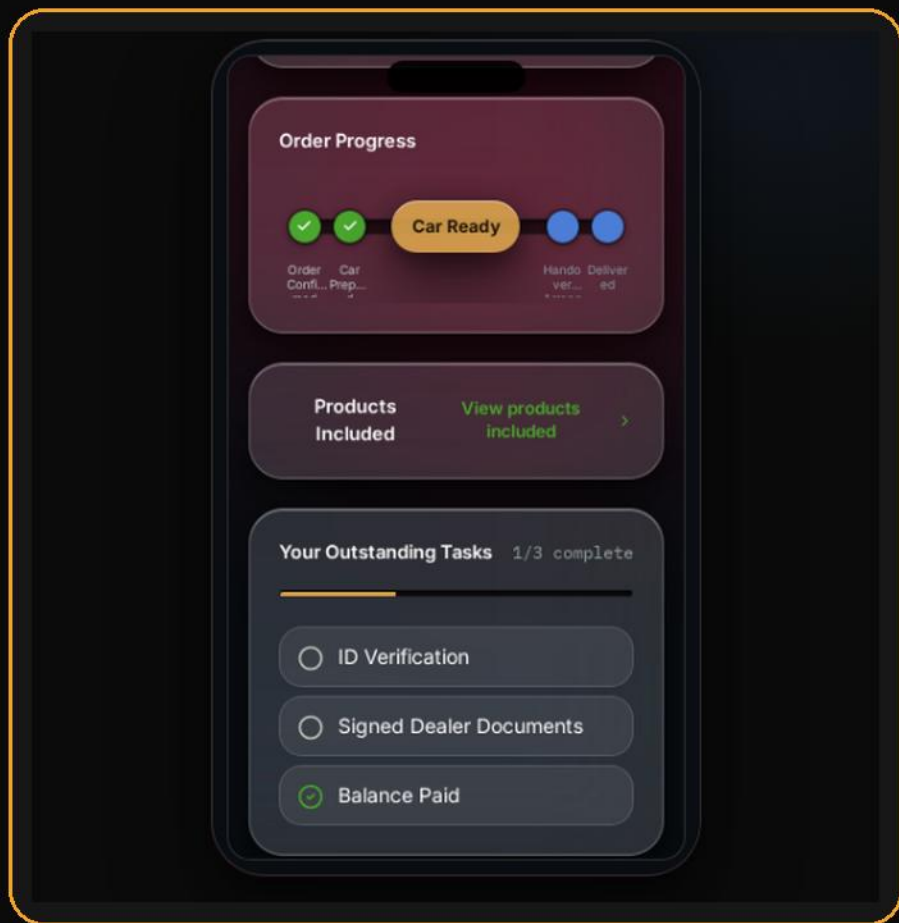

The CRM keeps the book.

It was never built to move the floor.

WHAT THE CUSTOMER SEES

They open the order.
They see the car.

You stop being the switchboard.

WHAT FORECOURT ADDS

Beside your CRM. Not instead of it.

Keys

Universal locator on the desk

Photos

Floor, ramp, studio, done

Live track

Buyer opens the order

To-dos

Staff list that actually moves

NEXT STEP

Open a desk with your name on it.

forecourt.me

Built on a Scottish franchise floor.

Aimed at UK motor trade desks.

Your CRM keeps the book.

Forecourt keeps the floor moving.
